

Cable Cubby® 100 Retractor Bracket • Installation Guide

Step 1 — Install the Retractor Bracket

For enclosure installation, see the *Cable Cubby 100 Installation Guide* at www.extron.com.

Cable Cubby 100 Enclosure

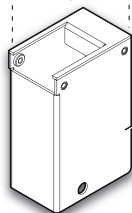

1

Insert the bracket into the opening under the enclosure.

2

Secure the bracket using two included #6-32 screws.

NOTE: The retractor bracket and module can be installed either left-facing or right-facing (see below).

Retractor Bracket

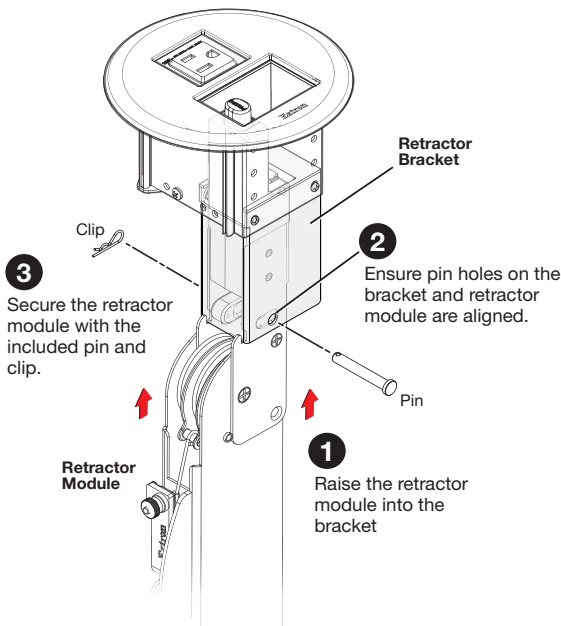

Right-facing Retractor

Left-facing Retractor

Step 2 — Install the Retractor Module

For additional retractor module instructions, see the *Retractor Series Installation Guide* at www.extron.com.

See the [Extron Safety and Regulatory Compliance Guide](#) on the Extron website.
