

FEATURES

- **5 Coaxial Conductors in a Single Jacket**
- **Super High Resolution 20AWG Coaxial Conductors Offer Video Bandwidth of 150 MHz @ 100 feet**
- **High Quality BNC Connectors**
- **CMP Plenum Rated**
- **Available Pre-Terminated with 5 BNC Connectors or as Bulk Cable**

IN7400P-5 SERIES

SUPER HIGH RESOLUTION 5-CONDUCTOR PLENUM COAXIAL CABLES

The new IN7400P-5 Series is a 5-conductor super high resolution plenum rated cable. This cable offers superb bandwidth to support audiovisual installations and data display systems requiring excellent quality transmission for high resolution video signals over extended cable runs.

Plenum Rated

The IN7400P-5 Series super high resolution cable carries a rating of CMP. This cable features a special outer jacket construction that allows it to be installed in ceiling plenums without conduit. The IN7400P-5 is the first cable to combine multiple super high resolution coaxial conductors in a single plenum rated jacket. This cable provides both cost and time savings when compared with competing single conductor super high resolution plenum cables.

5 Coaxes in One Jacket

The IN7400P-5 cable has a unique design that combines five super high resolution coaxes in a single jacket. This allows various combinations of high resolution video, low resolution video, and sync signals to be carried on the same cable.

Super High Resolution Coax

With a video bandwidth of 550 MHz at 50 feet and 150 MHz at 100 feet, the IN7400P-5 cable provides ample performance for transmitting high resolution computer graphic signals down extended cable runs.

IN9325 Crimping Tool

The IN9325 Crimping Tool is specifically fitted with a crimping die for the IN7400 Series cables. A Comfortable grip and a smooth leverage mechanism makes IN7400 Series cable installation a breeze.

SPECIFICATIONS

Conductors: (5) 20 AWG Coax
Color Code: Red, Green, Blue, Yellow, White
Impedance: 75 Ohms
Capacitance: 16.1 pF/ft
Velocity of Propagation: 84%
Bandwidth — 50' Cable:
 550 MHz @ -3dB

Bandwidth — 100' Cable:
 150 MHz @ -3dB
Overall Cable Diameter:
 0.595" / 15.11 mm
Regulatory Compliance:
 CMP (Plenum)

CABLE TERMINATION ACCESSORIES

BNC Connector: IN9307
Crimp Tool: IN9325

ORDER INFORMATION

IN7425P-5 25' Super High Resolution 5-BNC Coax Cable, Plenum Rated
IN7435P-5 35' Super High Resolution 5-BNC Coax Cable, Plenum Rated
IN7450P-5 50' Super High Resolution 5-BNC Coax Cable, Plenum Rated
IN7475P-5 75' Super High Resolution 5-BNC Coax Cable, Plenum Rated
IN74100P-5 100' Super High Resolution 5-BNC Coax Cable, Plenum Rated

IN74150P-5 150' Super High Resolution 5-BNC Coax Cable, Plenum Rated
IN7400P-5 Super High Resolution 5-Conductor Coaxial Cable — Plenum, Bulk, 200' Minimum Order (Price/ft.)
IN7400P-5K Super High Resolution 5-Conductor Coaxial Cable — Plenum, 1000' Bulk, (Special Price 8.52/ft)
