

IN8800

SUPER HIGH RESOLUTION 18-CONDUCTOR INSTALLATION CABLE

The IN8800 Series installation cable is the perfect companion for our popular installation series interfaces. Installers can save time and expense by pulling a single cable that handles a variety of video, sync, audio and control signals while providing power for an installation series interface or other low voltage device.

FEATURES

- (3) Super High Resolution Coaxial Conductors for RGB Signals
120 MHz Video Bandwidth at 100'
- (3) Mini Coax Conductors for Composite, Y/C, Component or Sync Signals
- (5) 24 Gauge Twisted Pairs for Audio or Control
- (1) 20 Gauge Power Pair

Super High Resolution

Providing video bandwidth of 120 MHz at 100', the IN8800 delivers the performance needed to transmit high resolution computer graphics signals down long cable runs. INLINE's exclusive design offers remarkable flexibility, a compact overall diameter and more than three times the performance of typical multi-conductor installation type cables.

SPECIFICATIONS

(3) 22 AWG Coax - Color Code:
Red / Green / Blue

Impedance: 75 Ω

Bandwidth: 120 MHz @ 100'

BNC Connector: IN9304

Crimping Die: IN9324

(3) 26 AWG Coax — Color Code:
Black / Yellow / White

Impedance: 75 Ω

Bandwidth: 41 MHz @ 100'

BNC Connector: IN9301

Crimping Die: IN9321

(5) 24 AWG Twisted Pairs — Color Code:
Black & Red, Black & White, Black & Green,
Black & Blue, Violet & Grey

(1) 20 AWG Twisted Pair — Color Code:
Black & White

Outer Jacket: Black PVC

Overall Cable Diameter: 0.62" / 16 mm

Regulatory Approval: UL Listed as CL2

ORDER INFORMATION

IN8800 Super High Resolution Installation Cable,
18-Conductor, Bulk, 200' Minimum Order

IN8800K Super High Resolution Installation Cable,
18-Conductor, 1000' Bulk Roll

IN9304 BNC Male Connector for IN7300P —
22AWG Conductors, 10 Piece Minimum Order

IN9301 BNC Male Connector for IN7300P —
26 AWG Conductors, 10 Piece Minimum Order

IN9320 Crimp Tool Frame

IN9324 Crimping Die for IN7300 / IN7300P / IN8800 Series —
22 AWG Conductors

IN9321 Crimping Die for IN7300 / IN7300P / IN8800 Series —
26 AWG Conductors

IN9344 Cable Termination Kit for IN7300 / IN7300P / IN8800
