

Input / Output Cables

High resolution output cables are a critical part of any video / data display system. INLINE's comprehensive range of high resolution coaxial cables includes models to suit a variety of audiovisual and display system applications.

VIDEO / S-VIDEO CABLES / AUDIO

- IN7200-1 Series** Ultra High Resolution Cables, Lengths from 3' to 250' or Bulk
- IN8600 Series** S-Video Cables, 4-Pin Mini DIN Connectors, Lengths from 6' to 100' or Bulk
- IN8700 Series** Stereo Audio Cables, RCA Male to Male, Lengths from 6' to 25'

IN8600

RGB CABLES

These cables feature 5 or 6 coaxial conductors bundled together in a single jacket and are available pre-terminated in lengths from 3 feet to 250 feet or as bulk cable.

- IN7000 Series** Standard Resolution Cables
- IN7000FP Series** Flexible Plenum Standard Resolution Cables
- IN7200 Series** Ultra High Resolution Cables — 3, 5, or 6 BNC Connectors
- IN7300 Series** Super High Resolution Cables — 5 or 6 BNC Connectors
- IN8800** 18-Conductor Super High Resolution Installation Cable

IN7325-6

VGA / MAC / 13W3 CABLES

- IN8000 Series** Flexible VGA Cables, Lengths from 3' to 250'
- IN8200 Series** Flexible VGA & Stereo Audio Cables, Lengths from 3' to 50'
- IN8100 Series** Flexible MAC Video Cables, Available in Lengths from 3' to 150'
- IN8400 Series** Flexible 13W3 Video Cables, Lengths from 6' to 50'

IN8200 SERIES CABLE

Input / Output Adapter and Extension Cables

These cables can be used as input / output adapter cables for the IN3260 / IN3262 / IN3262D / IN3262DS / IN3264 / IN3268 VGA distribution amplifiers.

15-PIN HD TO 5-BNC

- IN9045 Series** 5-BNC Male to 15-Pin HD Male, Available in Lengths from 6' to 75'
- IN9045FP Series** 5-BNC Male to 15-Pin HD Male — CL2P (Plenum) Rated, Available in Lengths from 6' to 75'
- IN9046 Series** 5-BNC Male to 15-Pin HD Female, Available in Lengths from 6' to 75'

IN9045-L12

MAC / SUN / SGI INPUT / OUTPUT ADAPTER CABLES

- IN91XX** MAC / SUN / SGI Input / Output Adapter Cables

IN9142 / IN9143

POWER ACCESSORIES

- IN92xx** Replacement External Power Supplies — See Page 160
- IN9210** Rack Mountable DC Power Supply — See Page 161 for More Information
- IN8500** Power Cable: 18 gauge, 2-conductor power cable, bulk
- IN8512P** Pre-Terminated Power Cable, 12' long
- IN9318** 2-Pin Phoenix Connector

IN9210

Mounting Hardware

MOUNTING BRACKETS

- IN9127** "L" shaped brackets mount on sides of IN3262 / IN3262D / IN3262DS / IN3216 / IN3212 / IN3214 distribution amplifiers, allowing units to be mounted on any convenient flat surface.
- IN9128** Mounting brackets for IN3252HR

Rack Shelves and Blank Panels

1U RACK SHELF & BLANK PANELS

- IN9080** 1U Rack-Mount Shelf — Holds Two 1U Products Side-by-Side
- IN9088** 1U Blank Panel — White, Fills space when using IN9080 with one product, includes equipment mounting holes
- IN9088B** 1U Blank Panel — Black, Fills space when using IN9080 with one product, includes equipment mounting holes

IN9080 RACK SHELF WITH IN9088B BLANK PANEL

2U & 2.5U RACK SHELF & BLANK PANELS

- IN9081** 2U Rack mount shelf — Holds Two 2U / 2.5U Products Side-by-Side
- IN9085** 2U Blank Panel, fills space when using IN9081 with one product, includes equipment mounting holes
- IN9086** 2.5U Blank Panel, fills space when using IN9081 with one product, includes equipment mounting holes

IN9081 RACK SHELF WITH IN9085 BLANK PANEL
