

## RACK SHELVES / BLANK PANELS

### RACK SHELVES / BLANK PANELS 1U

- IN9080** 1U Rack-mount shelf
- IN9088** 1U Blank Panel (white), fills space when using IN9080 with only one white product, includes equipment mounting holes
- IN9088B** 1U Blank Panel (black), fills space when using IN9080 with only one black product, includes equipment mounting holes

IN9080 Rack Shelf with  
IN9088B Blank Panel

### RACK SHELVES / BLANK PANELS 2U

- IN9081** 2U Rack-mount shelf for IN3200 / IN3500 / IN3600 series
- IN9085** 2U Blank Panel (white), fills space when using IN9081 with only one white product, includes equipment mounting holes
- IN9085B** 2U Blank Panel (black), fills space when using IN9081 with only one black product, includes equipment mounting holes

IN9081 Rack Shelf with  
IN9085 Blank Panel

### BLANK PANELS 2.5U

- IN9086** 2.5U Blank Panel (white), fills space when using IN9081 with only one white product, includes equipment mounting holes
- IN9086B** 2.5U Blank Panel (black), fills space when using IN9081 with only one black product, includes equipment mounting holes

IN9081 Rack Shelf with  
IN9086 Blank Panel

### RACK EARS

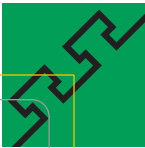

- IN9084** Rack-mount ears (white) for IN60000 Pathfinder
- IN9084B** Rack-mount ears (white) for IN60000 Pathfinder
- IN9121** Rack-mount ears (white) for IN1776QZX
- IN9123** Rack-mount ears (white) for IN1424/IN3606/IN3654/IN3656/IN3666
- IN9123B** Rack-mount ears (black) for IN1403/IN1404/IN3600 Series with black finish
- IN9124** Rack-mount ears (white) for IN1224
- IN9129** Rack-mount ears (white) for IN2200
- IN9129B** Rack-mount ears (black) for IN1700

## MOUNTING BRACKETS — MOUNT PRODUCT ON FLAT SURFACE

<b>IN9089</b>	Mounting Brackets for VKM02 / VKM03 / IN1130
<b>IN9127</b>	Mounting Brackets for IN1010/IN1024, IN2100/IN2160, IN3213, IN3214, IN3262
<b>IN9128</b>	Mounting Brackets for IN3218 / IN3252HR
<b>VN595</b>	Mounting Brackets for VN400 Power Supply
<b>VN596</b>	Mounting Brackets for VN100 Node
<b>VN597</b>	Mounting Brackets for VN420 Power Supply

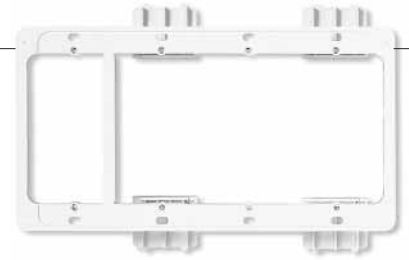

IN9127

## WALL BRACKETS

These wall mounting brackets give you the flexibility to mount Installation Series interfaces, distribution amplifiers and connector plates in any desired wall location without attaching to a stud or junction box. Adjustable flanges are provided to accommodate varying wall thickness. Brackets are UL approved for low voltage use only.

<b>IN9182</b>	Mounting Bracket — Mounts 2-Gang Installation Series Products in Desired Wall Location
<b>IN9183</b>	Mounting Bracket — Mounts 3-Gang & 4-Gang Installation Series Products in Desired Wall Location

IN9183

## FLOOR BOXES

<b>IN9158</b>	Steel City™ AFM-6 Floor Box, Grey Trim
<b>IN9159</b>	Steel City™ AFM-8 Floor Box, Grey Trim

IN9158

## JUNCTION BOXES & HARDWARE

<b>IN9153</b>	2-Gang Junction Box, 2.5" deep (for IN2114/IN9151/IN9166/IN9176/IN9178)
<b>IN9157</b>	2-Gang Junction Box, 3.5" deep (for IN2114/IN9151/IN9166/IN9176/IN9178)
<b>IN9161</b>	3-Gang Junction Box, 2.5" deep (for IN3260 / IN9167)
<b>IN9162</b>	3-Gang Junction Box, 3.5" deep (for IN3260 / IN9167)
<b>IN9164</b>	4-Gang Junction Box, 2.5" deep (for IN2111Q / IN9168)
<b>IN9165</b>	4-Gang Junction Box, 3.5" deep (for IN2111Q/IN2112/IN9168)
<b>IN9154</b>	3/4" EMT Conduit Coupler, Set-Screw Type
<b>IN9155</b>	3/4" Romex Cable Strain Relief

## TABLE ROUTING TEMPLATE

<b>IN9185</b>	Routing Template for IN2118 Interface — Provides a guide to make a precision cut when mounting an IN2118 interface in conference and boardroom tables. Long arms are provided that allow the template to be secured with clamps at the edge of the table
