

INPUT / OUTPUT CABLES

High resolution output cables are a critical part of any video / data display system. INLINE's comprehensive range of high resolution coaxial cables includes models to suit a variety of audiovisual and display system applications.

VIDEO / S-VIDEO CABLES / AUDIO

| | | |
|------------------------|--|-----------------|
| IN7200-1 Series | Ultra High Resolution Cables, Lengths from 3' to 250' or Bulk | Page 157 |
| IN8600 Series | S-Video Cables, 4-Pin Mini DIN Connectors, Lengths from 6' to 100' or Bulk | Page 166 |
| IN8700 Series | Stereo Audio Cables, RCA Male to Male, Lengths from 6' to 25' | Page 166 |

IN8600

S-VIDEO TO DUAL BNC ADAPTERS

| | |
|---------------|--|
| IN9098 | (1) 4-Pin Mini DIN Male to (2) BNC Male, 6' Long |
| IN9093 | (1) 4-Pin Mini DIN Male to (2) BNC Female, 3" Long |
| IN9094 | (1) 4-Pin Mini DIN Female to (2) BNC Male, 3" Long |

IN9098 / IN9094

RGB CABLES

These cables feature 5 or 6 coaxial conductors bundled together in a single jacket and are available pre-terminated in lengths from 3 feet to 250 feet or as bulk cable.

| | | |
|------------------------|--|-----------------|
| IN7000 Series | Standard Resolution Cables | Page 155 |
| IN7000FP Series | Flexible Plenum Standard Resolution Cables | Page 156 |
| IN7200 Series | Ultra High Resolution Cables — 3, 5, or 6 BNC Connectors | Page 157 |
| IN7300 Series | Super High Resolution Cables — 5 or 6 BNC Connectors | Page 158 |

IN7325-6

VGA / VGA & STEREO AUDIO

| | | |
|----------------------|--|-----------------|
| IN8000 Series | Flexible VGA Cables, Lengths from 3' to 250' | Page 162 |
| IN8200 Series | Flexible VGA & Stereo Audio Cables, Lengths from 3' to 50' | Page 163 |

SWITCHER & MATRIX SWITCHER

ACCESSORIES

POWER ACCESSORIES

| | |
|----------------|--|
| IN92xx | Replacement External Power Supplies |
| IN9210 | Rack Mountable DC Power Supply |
| IN8500 | Power Cable: 18 gauge, 2-conductor power cable, bulk |
| IN8512P | Pre-Terminated Power Cable, 12' long |
| IN9318 | 2-Pin Phoenix Connector |

IN9210

MOUNTING HARDWARE

RACK EARS

| | |
|----------------|---|
| IN9123 | Rack-mount ears (White) for IN3600 Series Switchers with White Finish |
| IN9123B | Rack-mount ears (Black) for IN3600 Switchers with Black Finish |

IN9123B

RACK SHELVES AND BLANK PANELS

1U RACK SHELF & BLANK PANELS

| | |
|----------------|--|
| IN9080 | 1U Rack-Mount Shelf — Holds Two 1U Products Side-by-Side |
| IN9088 | 1U Blank Panel — White, Fills space when using IN9080 with one product |
| IN9088B | 1U Blank Panel — Black, Fills space when using IN9080 with one product |

IN9080 Rack Shelf with IN9088B Blank Panel

2U & 2.5U RACK SHELF & BLANK PANELS

| | |
|---------------|--|
| IN9081 | 2U Rack mount shelf — Holds Two 2U / 2.5U Products Side-by-Side |
| IN9085 | 2U Blank Panel, fills space when using IN9081 with one product |
| IN9086 | 2.5U Blank Panel, fills space when using IN9081 with one product |

IN9081 Rack Shelf with IN9085 Blank Panel

ENGRAVABLE LABELING PLATES

Several INLINE switchers and matrices feature posts on the front panel to hold labeling plates. Label plates are black Gravoply plastic plates that can be engraved in white to clearly indicate the inputs, outputs and function buttons.

| | |
|---------------|---|
| IN9348 | Engravable Input Labeling Plate for IN3563e / IN3564HR / IN3566HR |
| IN9346 | Engravable Labeling Kit for IN3808 / IN20804: (1) Input Plate & (1) Output Plate |
| IN9347 | Engravable Labeling Kit for IN21608 / IN31208 / IN31608: (2) Input Plates & (2) Output Plates |

IN9347

REMOTE CONTROL

| | |
|---------------|--|
| IN3590 | Wired Remote with 30' Cable — Provides Remote Control of Input Selection on the following INLINE Switchers: IN3526vi / IN3563E / IN3564HR / IN3566HR / IN3666 / IN3504 / IN3506 / IN3606 / IN3554 / IN3556 / IN3654 / IN3656 |
